Veteran & Family Resource Update..

April 2019

We Help Veterans & Families find more peace in their life..

Our job is to inform and educate all Veterans and their families of the many resources they've earned access to.

Why did I receive this?

We know you to be a supporter of Veterans and we've crossed paths over the past few years. We are engaged in many Veteran-related programs such as the Honor Flight and Mile of Smiles, VFW, American Legion, as well as Rotary Clubs, Chambers of Commerce and others.

Who is this newsletter for?

The purpose of this monthly newsletter is to share information for all Veterans, their family members and friends. There are an estimated 400,000 Veterans in Colorado and 48,000 in Wyoming. About 60% do not have VA care.

If someone just wants to talk to a Veteran, we are here for you. If you need some assistance with anything, we are here for you. If you know of a great service that helps Veterans, we are here for you. If you want your voice heard, we are here for you.

THIS IS NOT YOUR TYPICAL THERAPY. Instead of an office, we offer the great outdoors and a beautiful setting in the foothills. Instead of a couch, there's red dirt and sunshine. Instead of being asked to share thoughts and feelings, we promote interactions with horses. Sound a little odd? We know; we thought so too.....at first.....until we saw the hope and healing that takes place at Stillwater Ranch.

Honoring every moment of life, Pathways is a nonprofit organization serving Larimer and Weld Counties with expert hospice care, palliative care and grief and loss support. Pathways has provided compassionate care for individuals and their families for the past 40 years and is the leading nonprofit of hospice care in northern Colorado. We place great emphasis on honoring veterans in our community and achieved the top Level IV status of the We Honor Veterans program in 2015. This distinction demonstrates our continued commitment to ensuring that the men and women who have served our country have access to quality end-of-life care.

Our mission is to Honor Veterans from Northern Colorado, SE Wyoming, and Western Nebraska with free trips to visit the War Memorials in Washington, DC. All WWII, Korean, Vietnam, and Purple Heart Recipients from all conflicts as well as any Veteran with a terminal diagnosis that can safely make our trip will have priority. Once the Desert Storm Memorial is complete, we hope to have enough community support and interest from those who have served in The Sandbox to expand our mission to Honor this group of Heroes as well. Our first flight is scheduled for September 15-16 2019.
