THE JOB

- Call on businesses, starting in northern Colorado, and find those who do or wish to support our veterans and their families
- There are an estimated 2.7 million businesses in Colorado
- An example is to find and focus on one business park at a time and drop off rack cards to each business to obtain donations in the time frame that fits their business
- We pay 20% perpetual commission on all received funds created by you, paid monthly from the previous month donations as long as you are with Qualified Listeners Corp.
- We handle all the billing and tracking of dollars, you just arrange the donations

Please send resume to GregG@QualifiedListeners.org with three references and an explanation of why you wish to assist our Veterans.
